

**Expressions India conducted POCSO Master Trainer Workshop for empowering school principal , teachers and ancillary staff at Queen's Valley School, Dwarka on 23 June 2018.** They were apprised with the best practices of child's right and socio-legal aspects essential for holistic school development in terms of CSA cases.

The workshop greatly expanded the understanding of teachers and supportive staff about how to identify, report, document and prevent CSA at school and community level. The role and responsibilities of all the stakeholders were discussed and the management skills regarding the same were inculcated. A half day interactive workshop with several case studies comprehensively executed the intervention plan to overcome the challenges concerned with young minds.
