

## *Interactive Workshop*

Management of hyperactive children and allied problems  
at  
DPS World School, Noida

*Expressions India* conducted an interactive workshop on 'Management of hyperactive children and allied problems' with approximately 65 teachers at DPS World School, Noida Extension. This workshop aims at imbuing caregivers & professionals working in the academic field with in-depth understanding of such difficult situations & adequate skills for its effective management. Teachers were apprised with cognitive remediation and attention training through case study approach.
