It's an honour for **Expressions India** to get associated with **CISF for the “Adolescent Career Fest 2014”**. We earnestly thank the Hon'ble **Director General, Shri Arvind Ranjan, IPS** and **Smt. Shubha Ranjan, President, Sanrakshika**, for this noble initiative for the benefit of CISF children & their families. The need for & access to higher education have never been greater than in the second decade of the 21<sup>st</sup> Century. The challenges children encounter while forging their education into a satisfying career are daunting. To accomplish the goal of helping children prepare for work and career, the career fair was organized to explore the crucial issues influencing successful entry into contemporary workplaces. **“The Career Handbook”** was also released on this occasion to guide children in making effective Career Choices which will help them to contribute meaningfully toward the growth of the nation. We requested all children & families to make more efforts to get a detailed insight of the career that they wish to pursue from maximum sources possible.

**“Career Mela” for the wards of I.T.B.P personnel** was also organized by Eminent psychologists and renowned counselors under **expressions India** supervision, alongwith the expertise of **Mrs. Sanhita Chaudhary** implemented the pioneering Adolescent Career Mela and Festival to help create awareness and empowerment of the brilliant school students. Since most of time **I.T.B.P personnel remain away from home on tough duty** so they are not able to pay adequate attention towards their **teenager child**. So apart from helping them for effective career choices, the professionals counselor help the parents with important tips for teenage parenting. The professionals were highly qualified and experienced and have worked with government and non government agencies and schools across the country.
