

SMARTGRAM PROJECT INITIATIVE BY RASHTRAPATI BHAVAN

Teacher's Training Program at Teekli Village (September 2017)

The Workshop was held at Government School at Teekli Village on 6th September, 2017. It was attended by 17 teachers of Govt. Middle School as well as Govt. Primary School along with approximately 90 students in the age group of 11-16 years

Methodology / Techniques used :

- Interesting and interactive sessions on key adolescent problems.
- Role plays on basic health and hygiene (sleep hygiene, food hygiene) and family related issues.
- An audio visual presentation on the theme of **MOBILE CLASSROOM EDUCATIONAL VAN**
- Health and hygiene Chart papers was showed to the students.
- Brain storming on gender related issues and cultural norms.

The topics discussed and the learning outcomes were:

- Assisting students to understand the importance of daily hygiene.
- Dealing with relationship issues amongst adolescents.
- Helping adolescents to cope with anger issues and conquer frustration.
- Helping students to develop a better understanding of the role of family and school in the overall development of students.
