

Teacher's Training Program at Alipur Village on 7th Nov, 2017

The training workshop was held at Government Senior Secondary school at Ghamroj Alipur Village on 7th Nov 2017. Mrs. Ambika, Principal of the school helped in organising the workshop. The trainers arrived before time to fine tune on agenda and coordination with the teachers. It was attended by 10 teachers of primary, secondary and senior secondary school.

Sessions were interactive and the topics discussed were-

- Help teachers and students facing challenges in regards to students learning.
- Help in identification of different- different Learning disability such as writing, reading, mathematical calculation, pronouncing words etc.
- Help in identification of problematic behaviours.
- Explain the difference and identification between learning difficulties which are due to neurological reasons and non neurological reason.
- 6. Role of teachers as a facilitator.

Methodology used-

- Audio visual presentation.
- Group Discussions.

Learning outcomes and the road ahead-

- Teachers were equipped to recognize learning difficulties early and help the students in reaching their full potential.
- Teacher's were briefed on how on the basis of certain expressed behaviors by children an early identification could be done.
- Hence early intervention could be done.
- Psychosocial and emotional wellbeing of the child will be looked after.
- Better dealing with the students and teachers students relationship will improve hence facilitate the process of learning among LD students.

Major issue that arised at Ghamroj Alipur was high rate and easy availability of substance and substance abuse among students than learning disability
