

Teacher's Training Program at Kharoda Village on 16th November , 2017

The Workshop was held at Government Primary School at Kharoda Village. The village has an approximate population of . Sarpanch (Mr.) and the Principal (Mrs.) of the school helped organize the workshop. It was attended by 2 teachers of Govt. Primary School.

Sessions were interactive and the topics discussed were-

1. Identification of problematic behavior in children.
2. Dealing sensitively with relationship issues amongst adolescence.
3. Importance of parents and school relationship.
4. Identification of developmental disorders and learning disabilities
5. Role of teachers as a Counselor and facilitator.
6. Various ways to identify the learning in children.
7. Including learning disabilities students in classroom.
8. Interventions that can be done for children with special needs.

Methodology used-

1. Audio visual presentation
2. Brain storming sessions

Learning outcomes and the road ahead-

1. Understanding of learning disabilities and its identification in neurological causes.
2. Focus also needs to come on psycho-social education of parents since issues of child marriage are still prevalent and reduce the rate of girl child drop out.
4. Interventions through clinical assessment and follow up can lead to a successful diagnosis.
6. Psychosocial and emotional wellbeing of the care givers along with the child is very important for better, progressive and enhanced facilitation of children.
7. Identifying students with learning disabilities and referring them for further assessment and intervention.
