

Teacher's Training Program at Sanpka Village on 1st Dec, 2017

Teacher training workshop was held at Government Middle School at Sanpka Village on 1st Dec 2017. The Principal of the school inaugurated the training workshop with his motivating speech for teachers and created an aura of enthusiasm in teachers to gain effectively from the workshop.

Sessions were interactive and the topics discussed were-

1. To understand the kind of learning difficulty is children facing on the basis of following indicators like writing, reading, mathematical calculation, pronouncing words etc.
2. Understanding how social and emotional development may differ in students with learning disabilities.
3. Exploring the skills to understand the similarities and differences between students with and without learning disabilities.
4. Learning the essence of classroom management for students with learning disabilities.

Methodology used-

1. Brainstorming session on building blocks of vocabulary, fluency and reading comprehension in light of skill development and strategies for successful and enjoyable reading experiences among students.
2. Group activity
3. Role play and presentation on the following topics

Learning outcomes and the road ahead-

1. Teachers will be better equipped to handle classroom learning challenges of students and offer personalized learning support.
2. Teachers will be more informed when speaking to parents about their child's learning difficulties at school.
4. Psychosocial and emotional wellbeing of the care givers along with the child is very important for better, progressive and enhanced facilitation of children.
5. Interventions through clinical assessment and follow up can lead to a successful diagnosis
6. A culture of timely identification and support in schools will ensure students with learning difficulties do not miss opportunities for academic achievement during important school year.
